Lot Route 515, Sainte-Marie-de-Kent, New Brunswick, E4S2B9

This cleared lot in Saint-Marie, just over half an acre, is located just across the road from the water. Even though there is no electricity pole on the land, power lines run along the paved road. The flat land offers a clear view of the water. While there is no water or sewer system currently in place, the land is ideal for building a house or cottage. Don't miss out on this opportunity!
